Abdelrhman Ahmed Mohmed

Front-End Developer (React.js)

Github | **Linkedin** | **Gmail** | **01128787885** | **Egypt , Giza**

PROFILE

Frontend Developer specialized in **React.js** and modern JavaScript. Experienced in building responsive, scalable applications with **Tailwind CSS and React Query**, focusing on performance and clean architecture.

SKILLS

Core Technologies :: JavaScript (ES6+) | HTML5, CSS3

Frameworks & Libraries: React.js | Tailwind CSS , Bootstrap | Redux | React Query (TanStack)

API Integration: RESTful APIs, Axios (Centralized Instance)

Data & Tools: Strapi (Headless CMS) | Postman | GitHub Copilot | Git Flow (features branches)

COURSES

Front-End Development – Mag Camp Academy 03/2025 – 01/2026
proficient in React.js, Tailwind CSS, and ES6+ for building responsive UIs. Focused on clean code, Git version control, and delivering high-performance, real-world web applications. Giza, Egypt

PROJECTS

Soul Kitchen — Restaurant & E-Commerce Platform
- Built a full-stack platform combining **e-commerce and table reservations** using React.js and Strapi.
- Implemented scalable architecture using **FBA** and **React Query** for efficient state management.
- Developed core features including **cart, checkout, order tracking, and booking system**.
- Applied **Git Flow workflow** with feature branches and pull requests for clean, maintainable code.

Elvora Motors — Full-Stack Car Management Platform
- Built a full-stack car management platform using **React.js** and **Laravel** with a dynamic UI and admin dashboard.
- Implemented scalable architecture using **Feature-Based Architecture (FBA)** and **React Query** for server state
- Developed **CRUD operations** for users and vehicles with image upload, pagination, and role-based authentication.
- Followed **Git Flow workflow** (feature branches & pull requests) to maintain clean, production-ready code.

PROFESSIONAL EXPERIENCE

Front-End Developer Intern 11/2025 – 12/2025
Developed responsive React/Tailwind apps (Dashboards, Job Trackers) with useContext state management and RESTful API integration. Elevvo Pathways – Cairo, Egypt

CERTIFICATES

— **Front-End Web Development Internship** | Elevvo (October 2025)
